No Problem. It was a bit late. And nothing too new was added. Just rearranged a few things ☺

Let's connect next week about S. Weber. I'll work on my edits today.

My computer wouldn't connect to the hotel wifi, so I wasn't able to get into my email to see the changes you made on the presentation. Thanks for providing the feedback, I will save it for future reference.

Subject: Suggested edits to the TAG Section of the PowerPoint for Tomorrow's meeting

Hey Sisay,

I've made some edits to the TAG section of the presentation for tomorrow. Sorry this is a little late. Hope you can see it before tomorrow's meeting. NO worries if you keep the old presentation, but here are my suggestions and a few tweaks to the layout and content.

Thanks and talk to you tomorrow-
